“We want you to get the MOST out of your membership and with our tiered investment schedule, you have the opportunity to package member benefits, sponsorships, meeting and event tickets into one efficient investment!”

—Chamber President Teri Wommack

What do Our Members Say?

“The tiered investment schedule allows me the option to prepay for the events and opportunities that are important to me and align with my business plan..”

“This investment plan provides great flexibility and eliminates the repetitiveness of paying for events through-out the year. It makes it much easier for budget planning.”

“The Walton Chamber has helped grow our business with innovative ideas and support.”

“Over 80% of my business is related to my chamber membership — either through relationships I’ve made by being involved or referrals from those relationships.”

Doing Business with Chamber Members IS Good Business!
